Pope Francis - Tweet of the Week

Let us #Pray Together for those who lost their lives in an inundation in #Libya, for their families and for the displaced. May we not fail to show our solidarity with these brothers and sisters, as well as with the people of Morocco who are suffering from an earthquake.

The Pope's Prayer Intention for September 2023

For people living on the margins
We pray for those persons living on the margins of society, in inhumane life conditions; may they not be overlooked by institutions and never considered of lesser importance.

Canon's Catechism: Is the use of Incense Bad for Health?

Some have questioned whether the use of incense in Mass is damaging to health. There is no medical research on this that I could find. However, there is always ventilation in our churches, and they are very large spaces. Only a small amount of charcoal is ever burnt, and a small amount of incense. I am informed that the "smoke" from the incense is largely vapour from the incense resin, which is water-based. It is also worth pointing out that if we are concerned about the risks of "holy smoke" we should also direct our attention to the altar candles and votive candles which also emit smoke. It is priests who are most at risk from the use of incense and candles since they are at closer proximity to these things than anyone. I am not aware that there is any evidence of the adverse effect of the use of these on priests. In fact, on the contrary, my pension provider has informed me that my average life expectancy as a Catholic priest is eighty-five- way above the average life-expectancy of people in other occupations. Maybe a little holy smoke does no harm. If you are still concerned, please remember that there are plenty of Masses in which incense is never used (6pm St. Bernadette's 8.30am St. Norbert's). You can also sit well away from the front to minimize any potential risk or discomfort.

In your charity please pray for

Freda Tompkinson and all who have died recently, may they rest in peace. *Eternal rest grant unto them, O Lord, and let perpetual light shine upon them. May the souls of the faithful departed, through the mercy of God, rest in peace. Amen.* Please pray for their families at this difficult time; for those whose anniversaries occur at this time; for all who are sick and housebound and those who have no family to support them. We remember all those who are in hospital or are having treatment, those whose treatment has been cancelled or postponed and those who are in nursing homes or being cared for.

2022/2023 Financial Year End Reports

Copies are available at the back of the Churches and on display on the noticeboards. There has been some improvement in the financial situation for both Scunthorpe Churches since 2021/2022. However, we still need to be cautious in the current economic climate—particularly with the significant increases in energy costs and prices generally.

**Second Collection: Evangelii Gaudium Sunday
17 September 2023** previously known as *Home Mission Sunday*

Preparing for the Jubilee Year in Faith and Prayer
"Evangelii Gaudium" is Latin for "Joy of the Gospel". The day supports the work carried out by the Mission Directorate on behalf of the Bishops' Conference.

A key focus of work for the next few years is responding to Pope Francis' calling of a Jubilee Year in 2025 with the theme *Pilgrims of Hope*. The Holy Father has invited the whole Church to prepare for the Jubilee in the two years prior through:

Reflecting on the four Constitutions of the Second Vatican Council in 2023.

Deepening our prayer life, with a special focus on the Lord's Prayer, in 2024.

Today's second collection supports the work carried out by the Mission Directorate on behalf of the Bishops' Conference. In the last year.

Bishop Patrick—Consultation Update

... I recognise from your feedback that, while there is recognition that diocesan communication has greatly improved over the past year or so, there needs to be more regular communication across the diocese. Feedback also suggested that work needs to be done on simplifying how we convey our spiritual themes, encounter, discipleship and missionary discipleship. I am currently working on this. There was also an understanding of the financial needs across our diocese, especially prioritising parishes, and the feedback indicated that parishioners and clergy are willing to be supportive of a fundraising initiative.

A copy of this update in full is enclosed.
